

I AM FALLS CHURCH AAUW

Dear Member:

Our “I AM” book is a valuable way for members to get to know each other and to let our community know who we are as well. We would like to maintain this book to reflect our current membership. We ask you to participate by giving information you feel comfortable sharing with us and have a picture in our book. You can email answers to: kittyrichardson6@gmail.com or bring to a meeting. Please provide us with a selfie you like or we can take your picture at the March meeting. We hope to have the book available at the 2017 Book Sale so folks can get a sense of who we are.

Information requested is in three categories

- (1) I am:
- (2) I love:
- (3) I joined AAUW or I belong to AAUW:

Here are some submissions for the three sections from current members to give you some guidance:

I am: (Name of member)...A grandmother who has worked...
Retired finance professional, etc.
Jewish spiritual leader, etc.
Career educator, etc.
Active real estate agent, etc.
Emergency physician, etc.
Passionate about making a difference, etc.

All of these answers had more than just this initial bit of information which can lead to...

I love: observing, reading, the outdoors, being retired, sailing, singing, life-long learning, traveling, taking care of grandkids, dancing, yoga, etc....
Usually a couple of lines will suffice for these first two categories.

Then, either **I belong to AAUW, or I joined AAUW,**

Your reasoning here can be a bit longer – most seem to be three or four lines.
